## Special Needs

**Our club is aware that some children have special educational needs and/or physical disabilities, that require particular support and assistance. We are committed to taking appropriate action to make sure that all children are able to access our services, made to feel welcome, and that our activities promote their welfare and development.**

The club is committed to the integration of all children in its care. The club also believes that children with special educational needs and/or physical disabilities have a right to play, learn and be able to develop to their full potential alongside other children. Whenever possible, children with special educational needs and/or physical disabilities will have access to the same facilities, activities and play opportunities as their peers. Everybody stands to gain if all children are allowed to share the same opportunities and are helped to overcome any disadvantages that they may face.

The policies, procedures and practices of the club in relation to children with special educational needs and/or physical disabilities are consistent with current legislation and guidance. These include the Special Educational Needs and Disability Act 2001 and the Disability Discrimination Act 1995.

The club believes that by identifying individual needs and taking proactive steps alongside parents/carers and other statutory professionals or agencies, all children should be able to play a full, active and equal part in the club's activities.
