Dear parents/carers of families,

I am going to be very 'blunt' in this letter because I want this information gathering as soon as possible so we can support more of our families. We understand it is becoming more and more challenging in lockdown.

We now have information about a way of getting **free food** bank deliveries to qualifying families in the NG7 postcode. Therefore and I am sorry to ask in this way but...

Have you/will you run out of money to buy your children food?

If you have answered yes to that question or want to talk about it more, please call school on 0115 9153273 or email admin@dunkirk.nottingham.sch.uk or let us know during one of our catch-up home calls or visits.

Silver Award

We have a form that we can complete with you over the phone that could help you qualify for **4 weeks of free 'basics' food parcel delivery** or we can try and support you with benefit claims and free school meal claims. We want to try and help as much as we can.

All information shared is stored in accordance with data protection.

We are here to help our families but we need to hear from you. Now is not the time to be proud or hide your struggles. Let us know! Normally families come into school and we have a cup of tea and a chat. Unfortunately, that isn't possible at the moment. We need to look after each other as a family school community and be there and help each other.

Kind regards,

Heidi Hollis
