

Covid-19 Related Pupil Absence
A quick reference guide (September 2020)

- a. Has your child got a temperature (over 37.8degrees)?
 b. Has your child got a new continuous cough? NHS website defines this as 'coughing a lot or for more than an hour or 3 or more coughing episodes in 24 hours.'
 c. Has your child lost their sense of smell or taste or has it changed? NHS website defines this as 'they cannot smell or taste anything, or things smell or taste different to normal.'

What to do if...	Action Needed	Return to school when...
...my child has any Covid-19 symptoms.	<ul style="list-style-type: none"> - Do not come to school - Contact school to inform us - Self-isolate the whole household, including any other Dunkirk families who live in the same household - Get a test (test centre visit or home test). It may take a while but keep trying. - Inform the school immediately about the test result 	...the test comes back negative or a period of 10 days has passed since the symptoms started, and the child feels well.
...my child tests positive for Covid-19.	<ul style="list-style-type: none"> - Do not come to school. - Contact school to inform us. - Agree an earliest date for possible return (minimum of 10 days). - Self-isolate the whole household. 	...10 days have passed since symptoms began, even if they still have a cough or loss of taste/smell. <i>(These symptoms can last for several weeks.)</i> AND the child feels well.
...my child tests negative for Covid19.	<ul style="list-style-type: none"> - Contact school to inform us. - Discuss and agree when your child can come back 	...the test comes back negative.
...my child is ill with symptoms not linked to Covid-19.	<ul style="list-style-type: none"> - Do not come to school. - Contact school to inform us. - Ring on each day of illness. 	...after 48 hours following the last bout of sickness or diarrhoea (as per our attendance policy)
...someone in my household has Covid-19 symptoms.	<ul style="list-style-type: none"> - Do not come to school. - Contact school to inform us. - Self-isolate the whole household. - Household member to get a test. - Inform school immediately about test result. 	...the test comes back negative.
...someone in my household tests positive for Covid-19.	<ul style="list-style-type: none"> - Do not come to school. - Contact school to inform us. - Agree an earliest date for possible return (minimum of 14 days). - Self-isolate the whole household. 	...the child has completed 14 days of isolation.
...NHS test and trace has identified my child as a close contact of somebody with symptoms or confirmed Covid-19.	<ul style="list-style-type: none"> - Do not come to school. - Contact school to inform us. - Agree an earliest date for possible return (minimum of 14 days). 	...the child has completed 14 days of isolation.
...NHS test and trace has identified a household member (other than my child) as a close contact of somebody with symptoms or confirmed Covid-19.	<ul style="list-style-type: none"> - The household member must self-isolate for 14 days. - Child can continue to attend school. 	...child can continue to attend school unless they show symptoms
... a sibling attending another school has been sent home to self-isolate due to their being a positive case in their school.	<ul style="list-style-type: none"> - Sibling must self-isolate for 14 days. - Dunkirk child(ren) can continue to attend. 	...child can continue to attend school unless they show symptoms
... my child has travelled abroad from a country or territory that is NOT on the exempt list of countries.	<p>If returning from a destination where quarantine is needed*:</p> <ul style="list-style-type: none"> - minimum of 14 days self-isolation for all those who travelled. - contact school to inform us you are back in the country and we will agree an earliest date for possible return to school. 	...the quarantine period of 14 days has been completed.

	<ul style="list-style-type: none"> - Self-isolate the whole household. <p>*Foreign, Commonwealth & Development Office (FCDO) – for up to date travel information</p>	
... my child has travelled abroad from a country or territory that IS on the exempt list of countries.	<p>If returning from a destination where quarantine is NOT needed:</p> <ul style="list-style-type: none"> - Check the current Exempt countries and territories list to confirm the country you have travelled from or through is on the exempt list. - Ring school to inform us you have returned to the UK and agree a return date to school. 	... you have informed the office of your return to the UK (<i>the office will ask you a few questions about your travel</i>).
...I have travelled from a country that requires us to quarantine (but my child didn't travel).	<ul style="list-style-type: none"> - As long as you do not have / have not had symptoms in the last 14 days, your child can continue to attend school. - The person who has travelled MUST NOT leave the house, including to do pick-ups and drop offs 	<p>...child can continue to attend school</p> <p>-if any travellers develop symptoms then all family in household must self-isolate</p>
...we have received medical advice that my child must resume shielding.	<ul style="list-style-type: none"> - Do not come to school. - Contact school to inform us. - Shield until you are informed that restrictions are lifted and shielding is paused again. 	<p>...school inform you that restrictions have been lifted and your child can return to school again.</p> <p>...you receive medical advice that your child may return to school.</p>
...my child's bubble is closed due to a Covid-19 outbreak in school.	<ul style="list-style-type: none"> - Do not come to school. - Support your child at home with remote education provided by your school. - Your child will need to self-isolate for <u>14 days</u>. - Other siblings may continue to attend school unless they or bubble sibling show symptoms. 	...school inform you that the bubble will be reopened.
... I am unable to get a test for someone in the household who has symptoms	<p><i>If you are not able to get a test in the first 5 days of having symptoms, your child and anyone they live with must stay at home and self-isolate for 14 days. Anyone in your support bubble/household must also stay at home.</i></p>	...the child has completed 14 days of isolation.

I have stuck this chart up on my fridge at home to remind me and my family. I hope this helps clarify what to do and when.

Remember this guidance can change!

Mrs Hollis
