16th November 2020

Dear Parent/Carer ,

Weekly Catch-up

Parents' Consultations

Thank you to all the parents/carers who joined us via Zoom for your online meetings with class teachers. It was a new way of working and we have learnt what worked and what we can adapt for next time. If you have any specific feedback, please email me via admin@dunkirk.nottingham.sch.uk.

National Anti-bullying week

We work on anti-bullying across the year but as it is a focus across the country we will be having special assemblies this week. Children can come to school on Friday 20th November wearing one thing odd-use your imagination! You might wear odd socks, have your jumper on inside out, wear a hat. Be creative (but safe) with your uniform. Just to celebrate that we are all different and all unique. That is what makes us all wonderful. We believe and celebrate this as a school community.

I also attach a letter from Mr Cook about online cyber-bullying and some short helpful videos that you can watch as a family at home.

Eco-Schools
Silver Award

Poppy PRIDE

I was very proud of our children last week when they stopped, remembered and paid respects during the 2 minute remembrance silence. We watched short videos and had several assemblies so the children had time to explore and ask questions.

Children in Need

We have had a lovely day wearing non-uniform and celebrating Children in Need. Thank you for your online donations.

Classdojo

This is a new communication system. We have had some feedback from parents/carers about how it works on different devices and how children send back their homework/isolation work. Please let us know of any difficulties so we can improve and also feedback to the online system provider.
Many thanks

Heidi Hollis
Head Teacher

Head Teacher: Mrs H Hollis BA (Hons)

Dear parents/carers,

In recent months, your child might have spent a bit more time on the internet than usual. At Dunkirk, we want all our pupils to use the internet confidently and safely. That's why we've decided to join in with Google and Parent Zone's **Be Internet Legends** programme. These organisations have been working with families to give them tools to be safer and more confident online – and now we'd like to invite you all to join in with their latest adventure!

The Legends Family Adventure is a short three-part animated series that follows a family of Internauts on an adventure through Interland. When Lumen's bear goes missing one day, the whole family must venture into Interland to get it back. Along the way, they learn ways to help spot scams, deal with cyberbullies and keep information secure in the digital world, with a big dose of bravery too.

Using the link below, we're inviting you and your child to watch The Legends Family Adventure together as a family:

The Legends Family Adventure
parents.parentzone.org.uk/adventure

As you watch you'll also find out about The Legends Family Challenge, where you can test your online safety knowledge, prove how legendary you are and maybe even win prizes for your child's school – including a LIVE online assembly with a school in the USA!

If you want to find out more about Be Internet Legends before then, visit g.co/beinternetlegends/parents

We hope you can join us in promoting safer internet use through this event.

Kind regards,

Mr Josh Cook

Y2 Teacher & IT curriculum Leader
