

Day 20

<p>English</p> <p>Grammar and punctuation</p>	<p>Lesson ten – To explore modal verbs</p> <p>Click on this link to take you to the lesson:</p> <p>https://classroom.thenational.academy/lessons/to-explore-modal-verbs-c9k34d</p> <p>In this lesson, we will begin by revising some spelling rules. We will then revise word class. In the main part of the lesson you will develop your knowledge of modal verbs and then apply your new knowledge</p> <p>When you are told, stop the video and complete the activities</p>
---	--

<p>Maths</p> <p>Problem solving with integer addition and subtraction</p>	<p>Lesson ten – Solving multi-step addition and subtraction problems</p> <p>Click on this link to take you to the lesson:</p> <p>https://classroom.thenational.academy/lessons/solving-multi-step-addition-and-subtraction-problems-ctk66d</p> <p>In this lesson, you will need to do the quiz first and then watch the video.</p> <p>You will be applying the addition and subtraction strategies that we have learned to word and real-life problems</p> <p>When you are told, stop the video and complete the activities</p>
---	--

<p>History</p> <p>Roman Britain</p>	<p>Lesson ten – What have you learnt about Roman Britain?</p> <p>For this final lesson, there is no link, quiz or video.</p> <p>Instead, we would like you to look back at the last nine lessons on Roman Britain and show what you have learnt.</p> <p>You could do this in a piece of writing; this could be a non-chronological report about Roman Britain or it could be a recount of one of the stories you heard.</p> <p>Or you could show what you have learnt through a series of labelled diagrams, showing the things the Romans brought to Britain and how Britain changed after the Romans invaded.</p> <p>Or you could make a video of yourself recounting all the facts you can remember about the Roman Britain project.</p> <p>Or you could think of your own way to show your learning!</p> <p>Good luck!</p>
